Greetings 596X School Community:

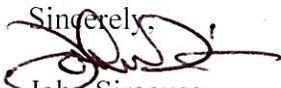

I am pleased to announce that 596X has been selected to showcase an individual and a group art project. Dylan, student from 596X@153, has had his artwork selected to be on display as well as a group project created by Paul, Anthony, Zarar, Michael, Anthony, Camila, Jordy and Isabella as part of the Art 75 – District 75's Annual Student Art Exhibition.

The artwork will be on exhibit at the **Positive Exposure Gallery from April 26 – May 31, 2026. The gallery is located at 83 Maiden Lane, 4th floor, New York, NY 10038.**

The gallery hours are by appointment from 10 AM to 6 PM from Monday to Friday, and Saturday from 10 AM to 3 PM. Sundays closed. We can be flexible with time with appointments. **To schedule an appointment – please email events@positiveexposure.org**

Congratulations to all of our students on this wonderful achievement and our art through wellness teacher, Ms. Melissa Force.
