March Parent Engagement

March 3, 2023

Dear P596X Families,

Throughout the months of March and April, your child is reading, The Proudest Blue, by Ibtihaj Muhammed. This powerful story is all about the values of loving the qualities that make you who you are and respecting the experiences that are different from one's own. As a culminating activity, students and staff members will be working together to host a **Multicultural Fair**. We will be exploring different countries around the world, and engaging in interactive activities that tie us all together.

We invite you to join your child's class on March 30th (time and place will be announced by your child's teacher), as we honor our on-going commitment to a No Place for Hate, our practice toward Unity, our active community-based contributions, and strive toward meaningful and engaging bias-based prevention!
