

Quiet Voice at School

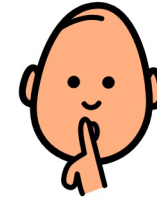

My teacher talks to the class.

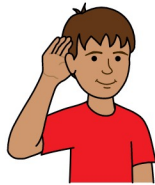

I am quiet.

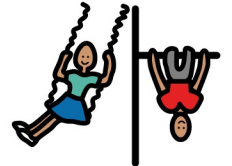

I am quiet when I work.

I am quiet in the hall.

Friends can listen when I am quiet.

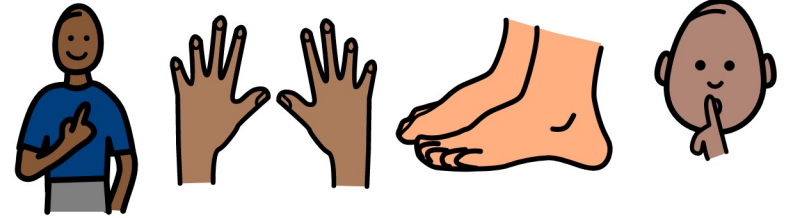

I can make noise at recess.

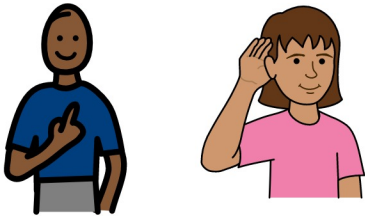

Quiet Hands and Feet

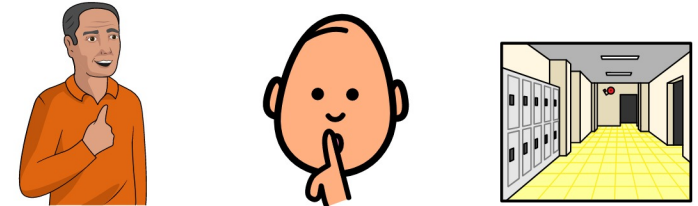

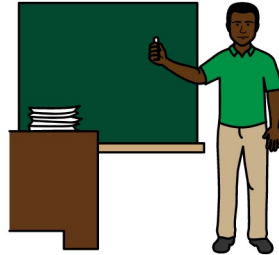

My teacher talks to the class.

I keep my hands and feet quiet.

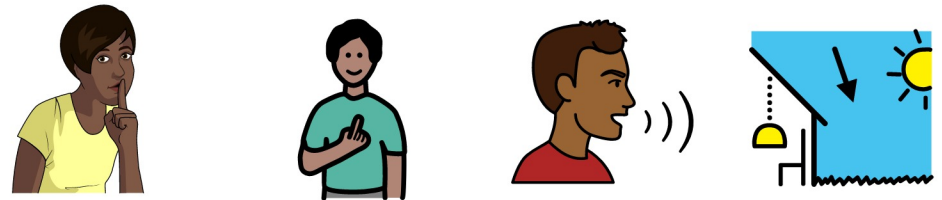

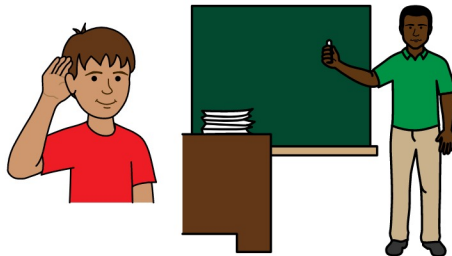

I can hear my teacher.

I am quiet in the hall.

The class can hear the teacher when I am quiet.

I can make noise outside.
